**500,000+**  
Organisations use Teams

**91**

Fortune 100  
companies  
use Teams

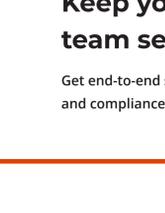

## Communicate more effectively

Get your team on the same page with group chat, online meetings, calling and web conferencing

### Work better together

Collaborate on files with built-in M365 apps like Word, Excel, Powerpoint and Sharepoint

### Customise your workspace

Add in your favourite Microsoft apps and third-party services to keep the business moving forward

### Keep your team secure

Get end-to-end security, admin control and compliance - all powered by M365

## Increase ROI with Teams

Teams helps companies improve access to information and free up workers to focus on higher-value activities, thus reducing operating costs, accelerating time-to-market, and fostering greater innovation.

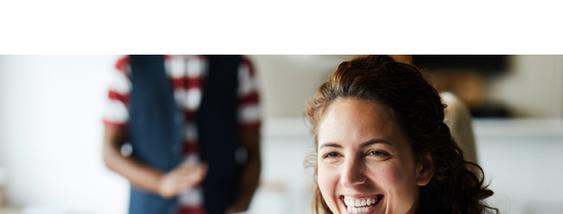

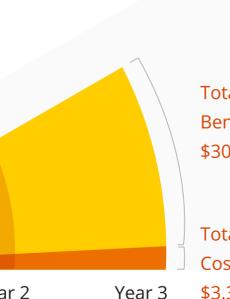

Handle all  
communication  
with one tool

Empower workers  
and improve  
satisfaction

Save time by  
reducing number  
of meetings

## Driving financial success

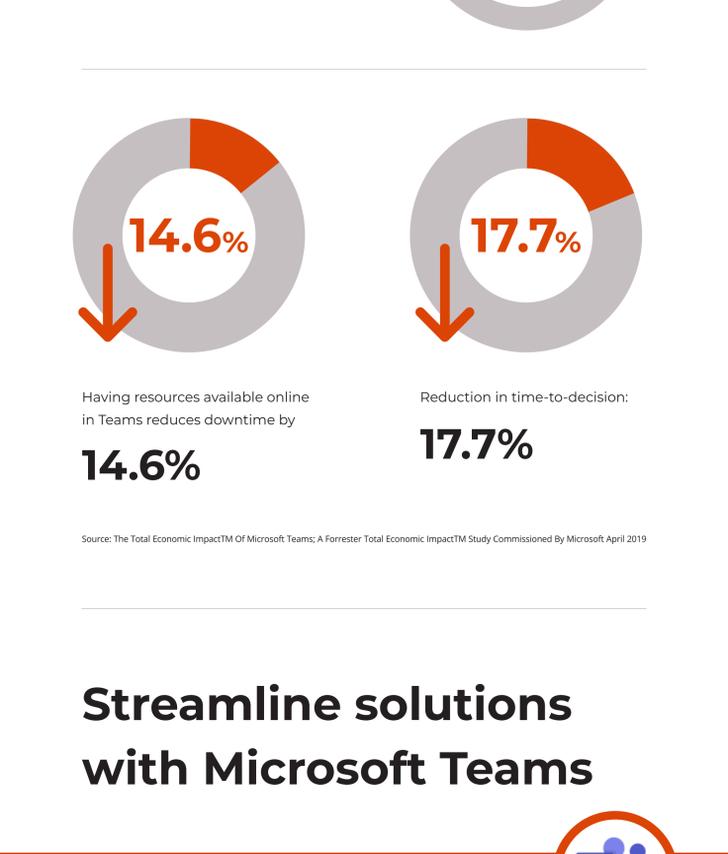

Payback period:  
< 6 months

Total  
BenefitsPV,  
\$30.3M

A financial analysis by Forrester found that organisations experienced present value benefits of **\$30.3 million** over three years versus costs of \$3.2 million, resulting in a net present value of **\$27.1 million** and an **832%** return on investment.
