

END USER MINIMUM TERMS: LIGHT KNOWN USER APPLICATIONS These license terms ("End User Minimum Terms") are an agreement between The Advanced Computer Software Group entity on the Order Form ("Bing Maps Licensor") governing the software application or suite of applications [BING MAPS APPLICATION NAME] ("Bing Maps Application") with which [End User's name] ("End User" or "you") acquired use of the Microsoft Bing Maps Services ("Services"). Please read them. Microsoft has licensed the Services to Bing Maps Licensor. By using the Bing Maps Application, you accept these terms. If you do not accept them, do not use the Bing Maps Application.

Definitions.

"Asset" means one of any of the following classes: vehicle, device or other mobile object.

"Content" means the maps, images and other data and third party content that Bing Maps Licensors are authorized to access via the Services.

"Known User" means an End User that is provisioned and/or authenticated by Bing Maps Application, for example through the use of usernames, passwords, digital certificates, unique IDs, smart cards, or other identification technology.

"Known User SLs" means single user Subscription Licenses accessed by Bing Maps Licensor's authenticated employees and/or End

Users' authenticated employees on Bing Maps Licensor's extranet or End User's private intranet, in order to access and display maps and related information in a Bing Maps Application.

"Services" means the Bing Maps Platform APIs to be provided by Microsoft.

"Subscription License" or "SL" means a subscription license (e.g., Known User SL, Mobile Asset Management SL, or Mobile Asset Management for Consumer SL) that may be granted pursuant to an agreement between Licensor and End User, with the license rights further granted in a Bing Maps Distributor Service Order.

License. Bing Maps Licensor provides you a license to access the Services from within the Bing Maps Application provided by Bing Maps Licensor only.

Light Known Users. You must acquire the appropriate Subscription License (SL) for each Light Known User that accesses the Bing Maps Application. Light Known Users are permitted to access the Bing Maps Application for the purpose of displaying maps and related maps in a Bing Maps Application. You have acquired <<QUANTITY>> Light Known User SLs for use solely within the Bing Maps Application supplied by Bing Maps Licensor. These Known User SLs are valid for the term of your agreement with Bing Maps Licensor, which may not exceed one year.

Additional Restrictions for Light Known Users

Light Known User may overlay administrative boundaries or other map content provided in the Bing Maps Application, provided that you do not use the Bing Maps Application for:

- (1) loading additional map content layers of any kind;
- (2) editing or creating map content. For avoidance of doubt, simple annotations such as a line, arrow, polygon or circle to highlight an area are allowed and not considered to be map content under this restriction; and
- (3) executing any spatial query other than proximity (find the nearest), point-in-polygon, distance between two points or as provided by the find and route services. For avoidance of doubt, Bing Maps Application may not perform Geofences, buffers or query a spatially enabled database.

General Restrictions: Microsoft does have some restrictions on your use of the Bing Maps Application supplied by Bing Maps Licensor. In using the Services provided with the Bing Maps Application, you may not:

(a) Upload or incorporate any content to the Services via the Bing Maps Application, or use the Bing Maps Application to display or use any content:

- for which you do not have all necessary permissions from the copyright holder(s);
- which includes nudity or is obscene, indecent, pornographic;
- which is intended to exploit minors in any way;
- which incites, advocates, or expresses hatred, bigotry, racism, or gratuitous violence; or
- which is intended to threaten, stalk, defame, defraud, degrade, victimize, or intimidate an individual or group of individuals for any reason, including on the basis of age, gender, disability, ethnicity, sexual orientation, race, or religion, or to incite or encourage anyone else to do so.

(b) Copy, store, archive, or create a database of the Content.

(c) Use Content, including geocodes, other than in conjunction with the Bing Maps Application.

(d) Present or alert a Known User to individual maneuvers of a route in any way that is synchronized with the Known User's sensor-based position along the route (e.g. turn by turn navigation that tracks Known User's position using GPS and communicates a maneuver as the Known User approaches the location for such maneuver).

(e) Change, obscure, or minimize any logo, trademark, copyright or other notice of Microsoft or its suppliers, or digital watermarks in the Content; except that we may make alternative logo, trademark and copyright attribution requirements available for use with small maps or on small devices; if available you will find them here: <http://go.microsoft.com/fwlink/?LinkID=229258>.

(f) Use the Services for business asset tracking, fleet management, or dispatch including, without limitation, to monitor or track the location or movement of Asset(s), including to provide guidance based on the position or routing of multiple objects tracked using GPS or other sensor-generated methods.

(g) Use Content other than in combination with the Services and not separately.

- (h) Use Content that consists of points of interest data to generate sales leads information in the form of ASCII or other text-formatted lists of category-specific business listings which (i) include complete mailing address for each business; and (ii) contain a substantial portion of such listings for a particular country, city, state or zip code region.
- (i) Transmit, sell, license or deliver any infringing, defamatory, offensive, or illegal products, services or materials.
- (j) Violate any applicable U.S. Export Administration Regulations or End User, end-use and destination restrictions issued by U.S. and other governments. The Services are subject to U.S. export jurisdiction.
- (k) Use the Services in any way that threatens the integrity, performance or reliability of the Services including performance or stress testing, or in any manner that works around any technical limitations in the Services.
- (l) Syndicate, redistribute, resell or sublicense access to the Services or Content on a standalone basis.
- (m) Falsify or alter any unique referral identifier in, or assigned to, a Bing Maps Application, or otherwise obscure or alter the source of queries coming from a Bing Maps Application.
- (n) Reverse engineer, decompile or disassemble the Services, except and only to the extent that applicable law expressly permits, despite this limitation.
- (o) Integrate road maps from the Services with road maps supplied by any third party. You may not replace aerial imagery from the Services with imagery supplied by any other mapping platform.
- (p) Use the Services or Content with a vehicle's dashboard, or a device connected to a vehicle's dashboard, systems or sensors, except that the device may be connected to the vehicle power source for charging purposes.
- (q) Use bird's eye aerial imagery (if it is made available through the Bing Maps Platform APIs) to reveal latitude, longitude, altitude or other metadata.
- (r) Save, download, print, distribute, transmit or manipulate bird's eye imagery, or offer others that ability, through your Bing Maps Application.
- (s) Use bird's eye imagery of the United States, Canada, Mexico, New Zealand, Australia, and/or Japan if you are a government entity.
- (t) Use Content from Ordnance Survey.

Intellectual Property and Reservation of Rights.

All rights to the Services and the Content, including rights of use, not specifically granted under these End User Minimum Terms or your agreement with Bing Maps Licensor are reserved by Microsoft and its suppliers. Except as set forth in your agreement with your Bing Maps Licensor, these End User Minimum Terms do not grant Microsoft any right or license to any Bing Maps Application or your intellectual property, including intellectual property that you licensed from third parties. Except for material that Microsoft may license to you, Microsoft does not claim ownership of the content you post or otherwise provide to us, which is hosted by Microsoft or a third party hosting provider on Microsoft's behalf, related to the Services (called a "Submission"). However, by posting or otherwise providing your Submission (and for the avoidance of doubt, where Microsoft hosts content on your behalf including by a third party hosting provider, this constitutes a Submission, but where you host or a third party hosts content on your behalf, other than Microsoft or a third party hosting provider on behalf of Microsoft, this does not constitute a Submission), you are granting to Microsoft free permission to use, copy, distribute, display, publish, transcode and otherwise modify your Submission, each in connection with the Services, and sublicense these rights to others in order to provide the Services. For every Submission you make, you must have all rights necessary for you to grant the permissions in this section.

Additional Rights and Restrictions for End Users

- (i) Support or SLA. Microsoft does not provide any support or SLA directly to End Users for Bing Maps Application provided to End User by Bing Maps Licensor.
- (ii) Termination Rights. Microsoft reserves the right terminate access to the Bing Maps Application to any End User who is in breach of any restriction included in these End User Terms or Bing Maps Licensor's terms with End User related to use of the Services, and who fails to cure such breach within thirty (30) days after written notice thereof.
- (iii) No Warranty by Microsoft to End Users. Microsoft does not make any representation or warranty (express, implied, statutory, or otherwise) with respect to the Services or otherwise.

OR THIS IF CLIENT HAS BING LICENCES WE LET THEM USE WITH OUR APP

Light Known Users. You must acquire the appropriate Subscription License (SL) for each Light Known User that accesses the Bing Maps Application. Light Known Users are permitted to access the Bing Maps Application for the purpose of displaying maps and related maps in a Bing Maps Application. You may license additional Light Known Users from your Licensor or on your Microsoft volume licensing agreement. If you acquire additional Light Known Users on your Microsoft volume licensing agreement, you must license a Bing Maps Enterprise Platform Service SL and one Bing Maps Light Known User SL for each Light Known User. If you acquire transactions on your Microsoft volume licensing agreement, you must license a Bing Maps Enterprise Platform Service SL and a Bing Maps Internal Website Usage Add-on SL. You must provide your Licensor with your Microsoft volume licensing enrollment number and the number of Light Known Users or transactions purchased for the Bing Maps Application. You may use volume licensing Bing Maps Light Known User SL's or Bing Maps Internal Website Usage Add-on SL's with your Bing Maps Licensor for the term of your agreement with your Bing Maps Licensor, which

may not exceed one year, provided you maintain your respective Bing Maps Light Known User SL or Bing Maps Internal Website Usage Add-on SL license by way of your Microsoft volume licensing agreement. When Bing Maps Light Known User SL's or Bing Maps Internal Website Usage Add-on SL's from volume licensing are reported to your Licensor, your Microsoft volume licensing agreement will prevail in the event of a conflict between the End User's Microsoft volume licensing agreement and the End User Minimum Terms. From Bing Maps Licensor you have acquired <<QUANTITY>> Light Known User SLs for use solely within the Bing Maps Application supplied by Bing Maps Licensor. For purposes of clarity, Bing Maps Internal Website Usage Add-on SL's are only available on volume licensing and not from your Bing Maps Licensor.
